The holiday season is full of joy, but safety should always come first. Here are a few quick tips to keep your family safe:

- Fire Safety:** Never leave candles or fireplaces unattended, and keep trees away from heat sources. Ensure smoke detectors are working.
- Toy Safety:** Choose age-appropriate gifts and check toys for small parts or sharp edges.
- Food Safety:** Store and cook food properly to avoid illness, and be mindful of allergies.
- Travel Safety:** Ensure your car is winter-ready, and always use the right car seat for your child's age and size.
- Holiday Decorations:** Check lights and decorations for safety. Don't overload outlets and keep cords away from foot traffic.

By staying vigilant, you can help ensure a safe and happy holiday season for your family!
