**Fire and Carbon Monoxide Safety**

- Install carbon monoxide (CO) alarms. Make sure there is one on every level of your home, especially around sleeping areas.
- Avoid using gas appliances inside your home. Use generators and grills outside of your home, away from windows and doors. Warm up vehicles outside of your garage.
- Create and practice a fire escape plan. Create a home fire escape plan with two ways out of every room. Choose a place to meet outside that is a safe distance away from your home.
