SAFETY WORKSHOP

Event: [SafeKids Cleaning supplies & Poison Safety](#)

Date: Thursday, March 13th @ 1:00– 2:00pm
ENGLISH

Place: ZOOM / Facebook Live Video

This month with spring approaching we all love to do our spring cleaning. It is important to us to educate our families on cleaning supply safety and how we can keep our children safe. Many cleaning products can be confusing for children and may look like juice or candy. A child will not know the difference. Every 8 minutes, or 64,000 times each year, a young child goes to the emergency department for medicine poisoning. Here you will find some important information that will help you keep kids safe around medicine. Please join us to learn about the hazards that can be in your home and how you can keep children safe from potential dangers. For more information, please call 561-924-9224.
