avoiding the
SUMMER SLIDE

2 1/2 months of math skills are lost over summer

Approx. 2 months of reading skills are lost over summer

Each fall teachers spend 6+ weeks re-teaching old material

Just 2-3 hours a week spent practicing skills can **prevent** the summer slide

CAPACITY BLDG WORKSHOPS

SRP Session 2—Digital Week
Wednesday, June 4, 2025
5:30 pm—BRIDGES

Oh the places we will go during this session of the SRP! In this session parents will gain a deeper understanding of the technology tools and resources that are available to enhance their child's learning.

SRP Session 3—GameTime
Wednesday, June 11, 2025
5:30pm—BRIDGES

Let the games begin! During this session of the SRP parents will learn the importance of games and activities that help children focus and develop their social/emotional skills and how games help bond, create memories and build problem solving skills while playing together as a family. Learning can be so much fun!

SRP Session 4—Why Is Reading Important
Wednesday, June 18, 2025
5:30pm—BG Library

The ability to read is THE most important skill a child can develop. During this session of the SRP parents will gain a deeper understanding of how reading impacts a child's literacy development, learn the benefits of reading to a child and be able to use a variety of ways to create a love for reading. All extremely critical for academic success

SRP Session 5—The Reading & Writing Connection
Wednesday, June 25, 2025
5:30pm—BRIDGES

Did you know that reading and writing go hand in hand? (No pun intended) A child's ability to put their thoughts feelings and ideas into words boost self-esteem and open many other doors to academic success. During this session of the SRP parents will gain a deeper understanding of the connection between reading and writing, learn of writing activities based on real-world experiences and learn familiar tasks that will engage and motivate students with writing.
